- 8.00-8.50 Registration and networking breakfast reception
- 9.00-9.15 Welcome from the ISNTD & opening address
- 9.15-11.00 **Session 1 Pipeline Watch**
- [9.15] Dr. Wim Parys (Janssen Pharma) - 'Janssen Global Public Health, R&D for Neglected Tropical Diseases'
  - [9.30] Dr. Nicholas Jackson (Sanofi Pasteur) - 'Sanofi Pasteur's Dengue Vaccine Development'
  - [9.45] Pr. Alan Fairlamb (Univ. of Dundee) - 'Discovery in Academia – A Case Study in Collaboration'
  - [10.00] Pr. Mark Taylor (Liverpool School of Tropical Medicine) - 'A-WOL, a Drug Discovery and Development Programme'
  - [10.15] Dr. Louise Bird (Oxford Protein Production Facility) & Dr. Jose Brandao-Neto (Diamond Light Source) - 'The Nucleotide Metabolism of *Schistosoma mansoni*: a Structural Molecular Overview'
  - [10.30] Pr. Raymond Pierce (Institut Pasteur de Lille) - 'The A-ParaDDisE Project: Targeting Histone Modifying Enzymes for Drug Development Against Neglected Parasitic Diseases'
  - [10.45] Dr. Marie-Edith Gourdel (Hybrigenics Services) - 'High Quality and Exhaustive Protein Screening: Identify the Targets of your Protein or Small Molecule of Interest'
- 11.00-11.30 Coffee break
- 11.30-12.15 **Panel discussion A Pipeline Watch**
- 12.15-13.00 **Session 2 Funding Challenges**
- [12.15] Mr. Jean-François Alesandrini (DNDi) - 'The Role of Government and International Aid in Research and Development for NTDs'
  - [12.30] Dr. Remko Van Leeuwen (Amsterdam Institute for Global Health and Development)
  - [12.45] Q&A and morning wrap-up
- 13.00-14.00 Lunch
- 14.00-15.45 **Session 3 Open Source**
- [14.00] Dr. Charles Mowbray (DNDi) - 'Innovative Approaches for Neglected Diseases Drug Discovery'
  - [14.15] Dr. John Overington (EMBL-EBI) - 'Open Source Data - An Overview and Potential'
  - [14.30] Dr. Paul Willis (MMV) - 'Adventures in Open Source Drug Discovery'
  - [14.45] Dr. Raymond Hui (SGC) - 'SGC's Open Access Model & Structural /Chemical Biology of Parasite Proteins'
  - [15.00] Dr. Lluís Ballell-Pages (GSK Tres Cantos Open Lab) - 'Open Innovation at Work for TB, Malaria and Kinetoplastids Drug Discovery'
  - [15.15] Mr. Thomas Bombelles (WIPO) - 'WIPO Re:Search: Open Innovation in the Fight Against Neglected Tropical Diseases, Malaria, and TB'
  - [15.30] Pr. Michael Pollastri (Northeastern Univ.) - 'Developing a New Model for Data Sharing in Neglected Disease Drug Discovery'
- 15.45-16.30 **Panel discussion B Open Source**
- 16.30-17.00 Coffee break
- 17.00-18.30 **Session 4 Clinical Trials**
- [17.00] Dr. Ole Olesen (EDCTP) - 'EDCTP: New Opportunities for Clinical Trials on Neglected Infectious Diseases'
  - [17.15] Dr. Nathalie Strub-Wourgaft (DNDi) - 'Conducting Clinical Trials in Disease-endemic Countries'
  - [17.30] Dr. Sam Kinyanjui (KEMRI) - 'Developing Sustainable Clinical Trials Capacity in Africa Through an Integrated Approach'
  - [17.45] Dr. Trudie Lang (Univ. of Oxford, Nuffield) - 'Building a Community of Practice to Support More and Better Trials in Neglected Tropical Diseases'
  - [18.00] Dr. Paul Saunderson (American Leprosy Missions) - 'Post-exposure Prophylaxis as a New Approach to Leprosy Control'
  - [18.15] Pr. Mark Miller (bioMérieux) - 'How Can Diagnostics Help in the Treatment and Eradication of Neglected Infectious Diseases?'
- 18.30-19.15 **Panel discussion C**
- 19.15 Concluding remarks

## ISNTD d<sup>3</sup> Participants in panel discussions

### Panel discussion A: Pipeline Watch

- Chair: TBC
- Dr. Louise Bird (Oxford Protein Production Facility)
- Dr. Jose Brandao-Neto (Diamond Light Source)
- Pr. Alan Fairlamb (Univ. of Dundee)
- Dr. Marie-Edith Gourdel (Hybrigenics Services)
- Dr. Nicholas Jackson (Sanofi Pasteur)
- Dr. Wim Parys (Janssen Pharma)
- Pr. Raymond Pierce (Institut Pasteur de Lille)
- Pr. Mark Taylor (Liverpool School of Tropical Medicine)

### Panel discussion B: Open source

- Chair: Mr. Thomas Bombelles (WIPO)
- Dr. Lluís Ballell-Pages (GSK Tres Cantos Open Lab)
- Dr. Barbara Holtz (Collaborative Drug Discovery)
- Dr. Raymond Hui (SGC)
- Dr. Charles Mowbray (DNDi)
- Dr. John Overington (EMBL-EBI)
- Pr. Michael Pollastri (Northeastern Univ.)
- Dr. Paul Willis (MMV)

### Panel discussion C: Clinical Trials

- Chair: Dr. Ole Olesen (EDCTP)
- Dr. Sam Kinyanjui (KEMRI)
- Dr. Trudie Lang (Univ. of Oxford, Nuffield)
- Pr. Mark Miller (bioMérieux)
- Dr. Paul Saunderson (American Leprosy Missions)
- Dr. Nathalie Strub-Wourgaft (DNDi)
